

MEMS Technical Programs Report

Uwe Behringer
UBC Microelectronics
**Chair, IMSG Global Technical
Programs Subcommittee**
IMSG General Meeting
April 20th, 2004
SEMICON Europa 2004

Technical Programs Subcommittee

- Subcommittee formed with 11 active members from USA, Europe and Japan
- Charged with coordination of technical programs across the globe
- Global standardization of feedback and evaluation of technical programming

Global Subcommittee Activities

- **SEMI MEMS/Microsystems Seminar**
 - SEMICON JAPAN 2003, Wed Dec 3, 2003
 - 7th year of success

- **SEMI/IEEE Advanced Semiconductor Manufacturing Conference and Workshop**
 - Boston MA, May 4-6, 2004
 - ½ day workshop, organized by NIST, focusing on film properties

Global Subcommittee Activities (cont'd)

- **International MEMS/MST Industry Forum**
 - SEMICON Europa 2004, Munich, April 19, 2004

- **MEMS Technical Program**
 - SEMICON WEST 2004, San Francisco, July 13, 2004
 - Coordinated with STS sessions

- **29th International Electronics Manufacturing Technology Symposium**
 - SEMICON WEST 2004, San Jose, July 14-16, 2004
 - New MEMS forum

Global Subcommittee Activities (cont'd)

- **International MEMS/MST Workshop at the COMS 2004**
 - **Edmonton, Alberta, Canada**
Edmonton, August 29, 2004

- **IMSG General Meeting at the COMS 2004**
 - **After the MEMS/MST Workshop**

- **SEMI Europe MEMS Standard Technical Committee Meeting, Oct. 7th 2004 Agrate, Italy**
