

# SEMI® IMSG - Liaison Report - Japan

**July 2004**

**SEMICON West 2004**

# Good news in Japan

- Welcome Prof. Kimata-san
  - Prof. Kimata-san joins IMSG Executive Committee as a program committee chair
- Congratulation Kaminaga-san
  - Kaminga-san assumes the presidency at xxxxx

# Seminar Plan

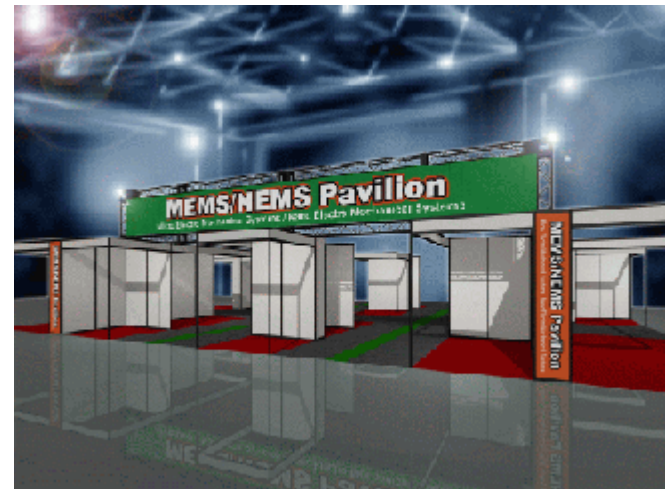

- 6<sup>th</sup> Micromachine Seminar
  - Jun. 16<sup>th</sup> 2004 at Osaka
  - Chair: Prof. Susumu Sugiyama (Ritsumeikan Univ.)
  - Thema “PowerMEMS”
  - 110 Attendees
- 8<sup>th</sup> Microsystem/MEMS Seminar
  - Dec. 2<sup>nd</sup> 2004 at Makuhari
  - Chair: Prof. Masayoshi Esashi (Tohoku Univ.)

# Support for MEMS industry activity

- Workshop at SEMI conference room
  - MSOL Seminar ....February
  - VANS Seminar....July
  - BSAC ....August
- Sponsorship/cooperation
  - PowerMEMS 2004

# SEMICON Japan 2004 MEMS/NEMS Pavilion

- Exhibit space application have been sent out at the end of April.
- Target >50 booths
- Three size of booth.
- MEMS Application showcase
- Academia Exhibit
- MEMS Exhibitor' s Presentation Room

# Exhibitors List as of July 9

- ACSES Co., Ltd.
- ASAHİ TECHNO GLASS Corp.
- EV Group Japan K.K.
- ITOCHU MECHATRONICS Corp.
- Ushio Inc.
- NTT Advanced Technology Corp.
- KAYAKU MICROCHEM
- Kyodo International Inc.
- KST World Corp.
- SANYU ELECTRON CO., Ltd.
- Seki Technotron Corp.
- TDC Corp.
- Techscience Ltd.
- Tokuyama Corp.
- Toyota Tsusho Corp.
- Nihon Veeco K.K.
- JAPAN MEMS Co.,Ltd.
- JAPAN LASER CORP.
- Marubeni Solutions Corp.
- Universal Systems Co., Ltd.
- Tohoku University
- Nagoya University
- Ritsumeikan University
- National Metrology Institute of Japan
- Tokyo Institute of Technology

# Major MEMS/Nano Event in Japan besides SEMI

- nano tech 2004 Mar. 17 - 19
- Sensor Expo Japan Apr.7 - 9
- APCOT Jul. 4 - 7
- Nanotech Business Fair Sept. 29 – Oct. 1
- Sensor Symposium on Sensors, Micromachines, and Applied Systems Oct. 14 – 15
- PowerMEMS 2004 Nov.29 - 30
- MICROMACHINE 2004 Nov. 10 - 12
